Learning about your pregnancy, birth and early parenting is vital to the health of you and your baby. The Childbirth Education program offers many learning opportunities. **Please see the schedule for class dates.** Be sure to enroll early as classes do fill quickly. Classes are best to be taken between 28-32 weeks. Upon registration, a class date confirmation letter will be mailed to you. Be advised that you will not receive class confirmation before 24 weeks gestation. If you have questions, please call 717-531-6981.

To register, complete this form and return to clinic. Mail to:

**Childbirth and Parenthood Program
Obstetrics and Gynecology, HS01
Hershey Medical Center
35 Hope Dr. P.O Box 850
Hershey, PA 17033**

***Classes will be billed to your insurance upon completion of the session; any non-covered services will then be billed to you.**
Please see website or handout for information regarding cost.
